

Introducing the Moxi family

With these discreet and stylish designs, the only thing you'll notice about your hearing aids is the impeccable sound.

Looking for a rechargeable option? Moxi™ Jump R is a stylish receiver-in-canal hearing aid that's dedicated to ease of use. Our smallest receiver-in-canal hearing aid is Moxi Fit, a barely-there design that's super comfortable and flexible. Both Moxi styles deliver all of this with ultimate ease and convenience to suit your lifestyle.

So get ready to love the experience.

Your hearing. Your way.

Connect to your favorite tech

All phones. Both ears. Incredible sound.

Yes it's true, your hearing aids are made for all phones. Enjoy easy, direct connections with the people you care about, with hands-free phone** calls, video calls and media streaming to both ears.

**Smartphones and traditional mobile phones with a compatible Bluetooth Hands-Free Profile.

Enhance your entertainment experience

With the TV Connector, you can easily watch your favorite shows and movies in high-quality stereo sound by wirelessly connecting your hearing aids to your TV, laptop, tablet, stereo and other digital devices. This means the volume is comfortable for you, and everyone else watching too.

Discover your technology level

Moxi hearing aids come with different technology levels. We'll work together to choose the one that best matches your listening lifestyle and needs.
